Privacy Policy

Effective date: 21 May 2026 | Version 1.0 | Governing law: Scotland

This Privacy Policy explains how NEXA collects, uses, stores and protects your personal data. It applies to all users of the NEXA platform, including customers, service providers and website visitors. Please read it carefully before using our services.

1. Who we are

NEXA is a reliability-first mobile car care marketplace incorporated in Scotland. We operate a platform that connects vetted mobile car care service providers with customers across the United Kingdom, launching initially in Aberdeen.

Data Controller: NEXA Autocare Technologies Ltd - SC886916

Registered address: One Tech Hub, Aberdeen, Scotland

Contact email: hello@nexaautocare.com

2. What personal data we collect

2.1 Customer data

When you register, book a service, or interact with the NEXA platform, we may collect the following:

- Full name
- Email address
- Phone number
- Home or service address (driveway or preferred location)
- Vehicle details: make, model, body type, registration number
- Location data to match you with nearby providers and track service arrival
- Payment information, processed securely via Stripe (we do not store card details directly)
- Booking history and service preferences
- Device and usage data, IP address, browser type, app usage patterns
- Communications, messages sent through the platform to providers or our support team

2.2 Service provider data

When you register as a service provider on the NEXA platform, we collect additional data as part of our vetting and onboarding process:

- Full name and date of birth
- Proof of identity, passport or driving licence
- Proof of address
- Business name and registration details (where applicable)
- Bank account details for payment disbursement
- Vehicle details and insurance documentation
- Professional references and vetting assessment results
- Quality scores, customer ratings and job completion history
- Location data during active service bookings

2.3 Website and app visitors

When you visit the NEXA website or app without registering, we may collect:

- IP address and approximate location
 - Device type, operating system and browser
 - Pages visited, time spent and navigation patterns
 - Referral source, how you arrived at our platform
-

3. How we use your personal data

3.1 To provide and operate the NEXA service

- Processing and managing bookings
- Matching customers with appropriate service providers
- Sending booking confirmations, reminders and updates
- Enabling real-time provider tracking during active bookings
- Processing payments and issuing refunds
- Resolving disputes and complaints

3.2 To vet and manage service providers

- Conducting identity and background verification
- Assessing suitability for the NEXA platform
- Monitoring quality standards and customer ratings
- Managing provider accounts, payments and performance

3.3 To improve the platform

- Analysing usage patterns to improve the customer and provider experience
- Conducting research and testing new features
- Troubleshooting technical issues

3.4 To communicate with you

- Sending service updates, platform notices and policy changes
- Responding to enquiries and support requests
- Sending marketing communications where you have given consent (you can opt out at any time)

3.5 To comply with legal obligations

- Maintaining records required by law
 - Responding to lawful requests from regulatory authorities
 - Preventing fraud, money laundering and other unlawful activity
-

4. Our legal basis for processing your data

Under UK GDPR, we rely on the following legal bases to process your personal data:

- Contract; processing is necessary to fulfil the booking contract between you and NEXA

- Legitimate interests; to improve our services, prevent fraud and ensure platform safety
 - Legal obligation: to comply with applicable laws and regulations
 - Consent; for marketing communications and non-essential cookies (you may withdraw consent at any time)
-

5. Who we share your data with

We do not sell your personal data to third parties. We share your data only in the following circumstances:

5.1 Service providers

We share relevant booking details with the provider assigned to your service, including your name, service address, vehicle details and contact number. Providers are contractually required to handle your data in accordance with this policy.

5.2 Payment processing

Payments are processed by Stripe. When you make a payment through NEXA, your card and payment data are transmitted directly to Stripe and are subject to Stripe's own privacy policy. NEXA does not store your full card details. You can review Stripe's privacy policy at stripe.com/gb/privacy.

5.3 Technology and infrastructure partners

We use trusted third-party technology providers to operate the NEXA platform, including cloud hosting, analytics, and communication services. These providers are contractually bound to process your data only on our instruction and in accordance with UK GDPR.

5.4 Legal and regulatory authorities

We may disclose your data to law enforcement, regulatory bodies or courts where required by law or where necessary to protect the rights, safety or property of NEXA, our users or the public.

5.5 Business transfers

In the event of a merger, acquisition or sale of NEXA's business or assets, your personal data may be transferred to the acquiring entity. You will be notified of any such transfer and any changes to this policy.

6. Location data

NEXA collects location data from both customers and providers to facilitate the core functionality of the platform. Specifically:

- Customer location is used to confirm the service address and enable provider routing
- Provider location is tracked during active bookings to enable real-time arrival updates for customers
- Location data is not stored beyond what is necessary to complete and document each booking

You may disable location permissions on your device at any time, though this may affect your ability to use certain features of the platform.

7. How long we keep your data

We retain your personal data only for as long as necessary to fulfil the purposes for which it was collected, including legal, accounting and reporting requirements.

- Customer booking data is retained for 6 years from the date of the last transaction
- Provider vetting and identity data is retained for the duration of the provider relationship plus 6 years
- Payment records are retained for 7 years in accordance with HMRC requirements
- Marketing consent records are retained until consent is withdrawn
- App usage and analytics data are retained for up to 24 months

When your data is no longer required, it is securely deleted or anonymised.

8. Your data protection rights

Under UK GDPR, you have the following rights in relation to your personal data:

- Right of access; you may request a copy of the personal data we hold about you
- Right to rectification; you may ask us to correct inaccurate or incomplete data
- Right to erasure; you may request that we delete your data in certain circumstances
- Right to restrict processing; you may ask us to limit how we use your data
- Right to data portability; you may request your data in a structured, machine-readable format
- Right to object; you may object to processing based on legitimate interests or for direct marketing
- Rights related to automated decision-making; you have the right not to be subject to solely automated decisions that significantly affect you

To exercise any of these rights, please contact us at hello@nexaautocare.com. We will respond within 30 days. You also have the right to lodge a complaint with the Information Commissioner's Office (ICO) at ico.org.uk if you are unhappy with how we handle your data.

9. Cookies and tracking technologies

NEXA uses cookies and similar tracking technologies on our website and app to improve functionality and understand how users interact with our platform.

Essential cookies

These are necessary for the platform to function and cannot be disabled. They include session management, security tokens and booking flow continuity.

Analytics cookies

These help us understand how users navigate the platform so we can improve the experience. Analytics data is aggregated and anonymised where possible.

Marketing cookies

These are used only where you have given explicit consent. You may withdraw consent and manage your cookie preferences at any time through the cookie settings on our platform.

10. How we protect your data

NEXA takes the security of your personal data seriously. We implement appropriate technical and organisational measures to protect your data against unauthorised access, loss, destruction or alteration. These measures include:

- Encryption of data in transit and at rest
- Access controls limiting data access to authorised personnel only
- Regular security assessments and platform monitoring
- Provider data handling requirements enforced by contract

In the event of a data breach that poses a risk to your rights and freedoms, we will notify the ICO within 72 hours and inform affected individuals without undue delay, in accordance with UK GDPR obligations.

11. International data transfers

NEXA is incorporated and operates in Scotland. Where we use third-party service providers that process data outside the UK or European Economic Area, we ensure appropriate safeguards are in place, including Standard Contractual Clauses or equivalent mechanisms approved under UK data protection law.

12. Children's privacy

The NEXA platform is not intended for use by individuals under the age of 18. We do not knowingly collect personal data from children. If you believe a child has provided us with personal data, please contact us immediately at hello@nexaautocare.com and we will take steps to delete it promptly.

13. Changes to this privacy policy

We may update this Privacy Policy from time to time to reflect changes in our practices, technology or legal requirements. When we make material changes, we will notify you via the platform or by email and update the effective date at the top of this document.

Your continued use of the NEXA platform following notification of changes constitutes your acceptance of the updated policy.
